

Workshops, Activities & Training from World Jungle:

Supporting teaching staff, childcare, youth and play workers

Packages and Pricing Structure (2018)

World Jungle can bring a variety of creative activities in to your setting, offered as either hourly activities (suitable for afterschool clubs) or full and half day programmes (for schools, holiday play schemes etc.). In addition, we deliver specialist training programmes for teachers, youth workers, play workers and support staff. For more information, please email: info@worldjungle.org.uk

Pricing Structure Guide

Individual activities (by the hour)	£75 per hour	<i>Prices subject to variation - plus travel costs and materials if required</i>
Half-day	£200	
Full-day	£360	

Circus Fun

Try your hand at a range of circus skills including diablos, devil sticks, juggling clubs and balls, unicycles, plate spinning, poi, stilts and pogo sticks

African Drumming

Fun, energising and no special musical skills required. Everyone is given their own instrument and within minutes the group comes together, promoting a feeling of community and team spirit.

Indian Dance

High energy, with great moves and music. Have fun learning the iconic hand, eye and neck movements associated with Bollywood dance styles, while seeing their origin in traditional Indian dance.

African/Caribbean Dance

Energetic, fun and lively workshops that also help promote a deeper understanding of the rich culture of the African/Caribbean people.

Carnival Music and Dance

Full of colour, energy and sound. Learn some incredible moves and rhythms and develop your very own carnival procession!

Wild Play and Bushcraft

Enjoy a range of activities and natural crafts including 'mini-dens', slack-lining, clay 'blobster' creations, mud painting and leaf crowns.

Get Active Tasters

Choose from a variety of dance, health & fitness sessions including: Zumba, ZumbAtomic, KidsYoga, Carnival Dance, African Dance, Jive, Salsa...

Games from Around the World

What better way to explore other cultures than through play. Learn traditional games from around the world. Sessions are playful, informative, involving music, dance, games and stories

Outdoor Cooking

This fun activity includes the art of fire lighting and cooking up some tasty treats in the open air!

Get Cooking

Cook up some tasty treats including savoury and sweet dishes to enjoy with family and friends.

Supporting events...

Book individual activities to support your special event or party including:
 - Face painting - Henna tattoos – Circus Performance – Giant Bubbles – Party Games -

Staff Training

We have delivered training to hundreds of teaching staff, play workers, childminders and nursery workers across the South West and further afield including for Devon County Council, Surrey County Council, Somerset Play Forum, South West Play Celebration, Barnardo's, individual play settings and schools. Prices for staff training start from £200.

Equality & Diversity Training - made fun!

This training is part of World Jungle's **award winning global play programme** designed for teaching staff, childcare, youth and play workers who want to help children and young people have the opportunity to **explore cultural diversity in fun and exciting ways**. During the session staff are taught a whole variety of games from around the world to use with their children in their setting as a creative tool to explore other cultures, promote cultural diversity and effectively challenge discriminatory behaviour in an age appropriate way. Ways are discussed around how to effectively meet the diverse needs of children, promote positive attitudes to diversity and the differences between each of us, with the aim to equip staff with the skills to prevent discrimination and challenge prejudice.

Children's Learning and Play in the natural environment

In this training we explore the many issues around children's learning and play in the natural environment and how we can connect children with nature and inspire them to enjoy the world around us. It aims to develop staff confidence working with children outdoors, offering lots of practical ideas and activities to use in your own sessions including many fun games, shelter building, fire lighting and outdoor cooking. Issues around risk management and health & safety will also be covered.

What people have said about World Jungle

"The enthusiasm and commitment that you have shown has been wonderful and has clearly fired up playscheme's workers and children alike. The fact that many of the settings have shown an interest in taking the themes further is testament to the success of the workshops, that they've opened eyes, broadened minds and furthered the World Jungle ethos which BAND whole-heartedly supports."

(Paul Dielhenn, BAND Limited)

"We all loved the training, it was so fun and we got a lot from it. It met all of our needs and more. The two workshop leaders were brilliant!" (Bella Wright from Ashton Gate Out of School Care)

"A really enjoyable fun, informative course, which will influence my practice"

(Claire Nicholson, Swallows Day Nursery)

"I will use what I have learnt today as a thread through all the activities and day to day life in my setting."

(Catherine Howard, Child minder)

"Friday was a fantastic success, thank you for making it so great!!"

(Holly Taylor, Play Development Officer, Cheltenham Trust - School holiday 'Wild Play' session in the park)

"We had a wonderful event on Friday thank you, the sun was shining and we had a great turnout.

Please can you say thank you to all your wonderful staff that ran things for us."

Paula Higginson, Extended Learning Services, Worle School
